SENIOR CLASS WILL OF ACADEMY

We, the members of the Senior Class of 1941, being of sound mind and weak body, because of overwork brought about by our persistent and over-anxious teachers, do hereby bequeath to the aristocratic Junior Class our dearest and most noble possessions and inspirations for worldly ambitions of the highest quality.

We express a desire that the Juniors will honor our memory most highly and will carry out our wishes with exceeding good grace and solemnity, which we are sure they are capable of, since they are endowed with such mighty and comprehensive intellects.

Aubrey Trent leaves his sense of humor to conservative Jimmy Miller.

Annette Donaldson leaves her petite figure to Myra Cline.

Anna Forsyth leaves her ever-increasing knowledge to Ruth Ann Bowman.

Rebecca Donaldson leaves her height to Billy Stratton.

Roy Miller leaves his case of sleeping sickness to alert Peggy Ratliff.

Douglas Sanders leaves his fiery red waves to Fletcher Hutcheson, who thinks they will improve his good looks.

Jetolee Sowards leaves her ability to flirt to Betty DuPuy.

Norman Chrisman leaves his sweet disposition to Charlene Ratliff.

The ambitions of these dignified Seniors are:

(1) Rebecca Donaldson, Actress; (2) Roy Miller, Farmer; (3) Douglas Sanders, Business Man; (4) Annette Donaldson, Housewife; (5) Aubrey Trent, Doctor; (6) Jetolee Sowards, Metropolitan Opera Star; (7) Anna Forsyth, Housewife; (8) Norman Chrisman, Architect.

Realizing the need of an organization on the campus to develop Christian standards, students and faculty formed the Y. M. C. A. a few years ago. Although the membership has been small at times, the Y. M. has always been an active organization in the furtherance of the Christian ideal. The Tuesday evening meetings are but a small part of the full program. In these weekly meetings the organization has had inspirational talks and excellent discussions led both by students and by speakers from off the campus. The more practical side of the service has been in mission Sunday Schools and in connection with youth in its varied needs. The group realizes the ever-present need for such an organization, and the members are determined to continue the advancement of those ideals on which Pikeville College is built.

Y. W. C. A.

The Young Women's Christian Association of Pikeville College has drawn the college women together with a bond that is very sacred—the bond of Christian love and fellowship. Miss Elizabeth North is again the Y. W.'s devoted sponsor. Her good works will live through the history of Pikeville College. The meetings have been very helpful and interesting. Both groups have particularly enjoyed the joint Y. M.-Y. W. meetings. May these two organizations continue to hold a vital place in the life of the College.

The Women's Athletic Association is growing and is rapidly becoming one of the largest organizations on the campus. The girls are working hard to obtain the 100 points which are required before they can become members. They have been having some wonderful times and plan to have many more.

DEBATE

Pikeville College is proud to announce its victory in the Southeastern Tournament of Phi Rho Pi last spring. The women's team of Anne Owens and Patricia Smith was awarded a silver loving cup for first place honors in the 1939-1940 season. The question was: Resolved, That the United States pursue a policy of strict isolation toward all nations engaged in war outside the Western Hemisphere.

For 1940-1941 the question was: Resolved, That the nations of the Western Hemisphere should form a permanent union.

More students have joined the organization this year, probably because of the intracollegiate tournament.

The teams were chosen from those who participated in the tournament.

The three Senior members of our Phi Rho Pi, which is the only chapter of this fraternity in Kentucky, are Anne Owens, Paul Chafin, and Audry Davis.

The debate schedule for 1940-1941 included debates with many of the leading colleges of this section.

The purpose of the Psychology Club is to present each year several of the more interesting and useful applications of psychology. Each meeting takes the form of an experiment in which each member usually participates.

The club makes cash awards during May of each year to the two students who have done outstanding work in psychology and who have at the same time maintained a high level of general scholastic achievement.

The yearly program has always been arranged so as to be interesting to the student body as a whole, rather than only to those registered in psychology courses. As a result, over three hundred students have been members in the two and one-half years of the club's existence.

The faculty adviser, Mr. Curtis, was the founder of the club.

Pikeville College was established for the purpose of offering Christian education to the young people of this area. Extension work has been carried on by the College almost continuously since its establishment. In order that real training in Christian work may be given our young people, volunteers are called for to go into rural communities to teach Sunday Schools. Faculty members often go with these students to help them. At present, this work is carried on jointly by the local Presbyterian Church, the Presbyterian Board of National Missions, and Pikeville College.

SPILMAN MEMORIAL INTERNATIONAL RELATIONS CLUB

On January 17, 1941, a group of students interested in international relations met at the call of Dr. St. Clair to discuss the possibility of forming an International Relations Club to be affiliated with the Carnegie Endowment for International Peace. It was decided to form such an organization and officers were elected. The first regular meeting of the new organization was held on February 6, at which time a constitution was adopted and the name of "The Spilman Memorial International Relations Club," in honor of the contribution made by the Spilman family to this institution, was chosen.

It is felt that this organization fills a real need for those interested in international relations here. It has the backing of the Carnegie Endowment for International Peace and is, therefore, part of a national and world-wide organization. The Carnegie Endowment contributes books which form a permanent collection for the International Relations Club in the Library, and the Club itself hopes to be the center of much intellectual and social effort. To aid in this endeavor, the History Club and French Club have been merged into this new organization.

Officers are: President, Rev. Clester D. Goodwin; vice-president, Elza Newsom; secretary-treasurer, Billy Clyde Sanders.

The following persons are members of the club, in addition to those in the picture:

Audrey Davis, Gaynelle Deskins, Elizabeth Forsythe, Gypsy Johnson, Anne Owens, Leonard Baird, Charles Crisman, Harry Kerns, Charles Kuhner, Angelo Marinaro, Pete Panzera, Ferrell Wellman.

Faculty members participating in the club are: Dr. St. Clair, faculty adviser; Rev. Harvey Smith, Mrs. M. C. Hart, Misses Margery Moe Harman, M. Ruth Murray, Alta May Lumbard, and Adrienne Mason.

THE RECORD

The Record is the work of the students throughout the year. Some do work on every publication, while others work at varied times. The school paper earnestly tries to record the most important events, so that by the end of the year the readers have everything in a "nutshell." The paper was named in honor of Dr. James F. Record, former president of Pikeville College.

FEBRUARY 16-21

The section devoted to *Activities* would surely be incomplete if an account of Spiritual Emphasis Week were omitted. Dr. Frank R. Elder, pastor of Covenant First Presbyterian Church of Cincinnati, preached in the pulpit of the Pikeville Presbyterian Church on Sunday, February 16, and then opened the student meetings in Wickham Chapel at 7:30 in the evening of the same Sunday. In addition to holding services each evening until Friday, he spoke to the students each morning at the chapel hour.

Time for private or group conferences with Dr. Elder was set from 10:30 to 12:00 each morning, and many students took advantage of the conference hours. Mrs. Elder also came to Pikeville, and proved herself an interested friend of students and faculty.

The Y. M. and Y. W. were especially helpful in carrying out the plans for Spiritual Emphasis Week. The college class organizations, the faculty, and various other groups worked together in a splendid spirit. Music for the evening services was furnished by students and faculty. Pikeville College experienced a genuine spiritual uplift during that week, and the fine spirit of the week will continue far into the future.

ATHLETICS

Front Row, Left to Right: Edward McGlothlin, Leslie Crawford, Paul Owens, Elza Newsome, Perry Cline, Harold Kerns, Bob Bevins. Back Row: Burns Ramsey, Walter Blankenship, Bob Henderson, Vernon Blankenship, Tom Hays, Clinton Tatum, Jesse Collier, Ray Combs, Coach J. K. Rash.

THE BEARS

The Bears ushered in the season with a 46-34 defeat of the Alumni on November 29. The "Rashmen" set an early pace and then watched it wiped out by the uncanny marksmanship of Clyde Blackburn and R. C. Layne, who tallied 14 and 11 respectively. Leading 17 to 16 at the half, the Alumni went ahead temporarily and then never threatened again. Newsome and V. Blankenship with 12 points each led the Bear attack.

The Bears invaded Ashland on December 4 and were turned back, 54-45, by a strong "Thorobred" team paced by Adkins, who hit for 17 points to take scoring honors. The Bears led 10-8 at the quarter turn, but were never ahead again. V. Blankenship and W. Blankenship made the scoring a family affair to hit for 11 and 8 respectively.

Moving over to Morehead on the following night, the Bears were still followed by ill fate and were smothered 47 to 22 by Morehead Frosh. Coach Rash's words were, "They are the best freshman ball club I ever saw." Featured was Morehead's 6-foot, 7-inch pivot man who is one of the best centers in the state.

On December 12 Union Varsity "Bulldogs" invaded Pikeville and took a hard-fought battle 42-33. The Bears entered the game under a handicap, for Coach Rash had been called to Iowa on account of the death of his mother. Mr. Carson was in charge of the Bears, and they fought gallantly under him, but the superior height of Dick Bacon's men began to tell in the closing minutes. Pikeville got off to an early lead with a score of 4-0. The Bears led 23-21 at the half and until the middle of the second half; then the Bulldogs pulled away to win.

On Monday, December 16, they journeyed to the home floor of the Lindsey-Wilson Blue Raiders and locked horns with them, and came out on the short end, 52-31. The Blue Raiders were led by Agers, who hit for 13 points, while Tatum led the Bears with 9 tallies. The Rashmen trailed 24 to 14 at the half and couldn't step the high scoring Raiders.

Moving over to Campbellsville the following night, ill luck still followed the Rashmen, and the Campbellsville Tigers set them back in a hard, close game, 45-40. V. Blankenship was high point man of this contest and hit for 17 points. Reed led the Tigers with 14. The Bears trailed 23-18 at the half.

On Wednesday night, December 18, at London, Ky., the Bears won their first Conference game by downing the Sue Bennett Green Dragons, 38 to 33, although they trailed 20 to 16 at the half. Baldwin led the Dragons with 18 and Cline the Bears with 11.

January 8 found the Bears on the road again, this time to Montgomery, W. Va., where they encountered New River State, a four-year outfit, and pulled down a 48 to 44 victory. The Rashmen jumped into an early lead and were not headed. The Bears led the West Virginians 23-21 at the half turn. They returned to the floor and went on to win, 48 to 44. For the first time of the season the scoring was nearly equally divided, Tatum leading with ten, and Newsom, V. Blankenship, Cline, and Hays with nine each.

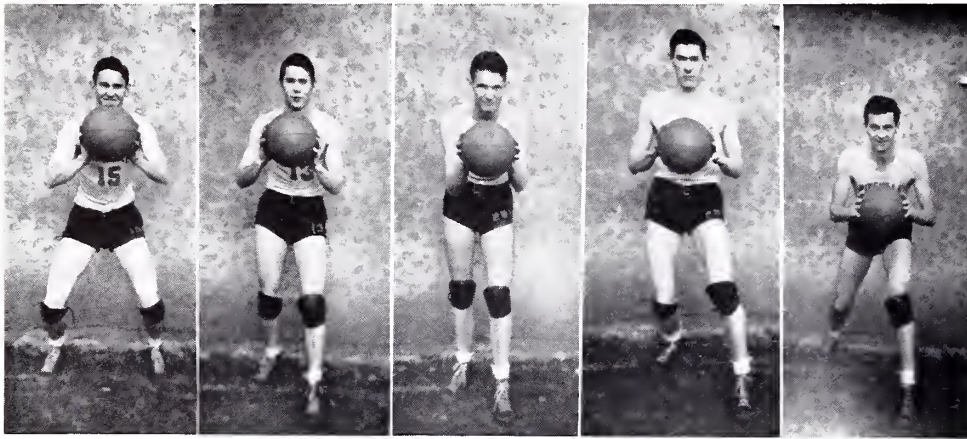

THE COACH

Coach J. K. Rash is a graduate of Penn College, Oskaloosa, Iowa, and has an M.A. degree from the Y. M. C. A. Graduate School at Nashville, Tennessee. He came to Pikeville in 1937, and is finishing his fourth year as coach of the Bears. Every year has been successful. His 1938-39 team won the most games (18 out of 23); but present fans are most enthusiastic about the 1940-41 team. Their score in winning is 16 out of 24.

CHEERLEADERS

Mary Ruth Poole, Anna Jean Trimble, and Irene Arnette, our enthusiastic cheerleaders, have done wonders in helping win our ball games and also in furnishing entertainment between quarters and halves. These young women received letters, just as members of the squad did. At some games they worked just as hard as the players themselves.

V. BLANKENSHIP
"Tracy" is one of the mainstays of this year's team. He can always be depended on for those necessary points in a pinch, getting most of them from out on the floor. Vernon was chosen a member of the All-Southeastern Junior College Team this year.

W. BLANKENSHIP
"Smokey" was overshadowed this year by his big brother, but his speed and ball-handling will come in handy next year.

CLINE
Perry is a freshman this year, and he really will be heard from next year. He plays the game all the way. He does a nice job under the basket and fits into the Bears' fast break.

J. COLLIER
"Little Abner" is a rugged ball player, the kind every team needs. He has plenty of fight under the goal; he will fit into Rash's plans for '42.

HAYS
"Big Tom" has made his presence known this year. His 6-feet, 6-inches was regularly slated as center, but turned in a good game at guard several times. In his freshman year Tom was the team's highest scorer.

Next night found them at Rio Grande, Ohio, where they tangled with Jeff Wyatt's Rio Redmen and came out second best, 60 to 61. It was a fast, free-scoring game through the first half, and the Bears led 34 to 32 at the half. The second half was equally fast. The score was tied twelve times during the game and the final outcome was decided only in the final seconds when a Redman cashed in on a foul. Duncan and Vulgamore of Rio's tallied 24 and 22 points, respectively, while Newsom and Hays collected 19 and 18 points to lead the Bears' scoring.

The Bears clipped the Whiskered Wizards, a traveling basketball circus, on the local floor on Saturday night, January 11, to the tune of 47 to 43. The Bears got off to a good start and had a 5-0 lead and led 24-20 at the half. The Wizards nearly caught them in the closing minutes of the game, but the Bears put on a rally that led to the win. Newsom collected 20 and Tatum 10 in this fray.

In a return game with Morehead Frosh, January 14, the Bears stopped them in their tracks and defeated them 45-40. This was a swell ball game and the Bears played good ball. The Rashmen led 21-19 at the half, and the Frosh couldn't stand the Bears' hot pace in the second half. Tatum collected 14 and Newsom and Hays 9 each. Miller got 11 for the Frosh.

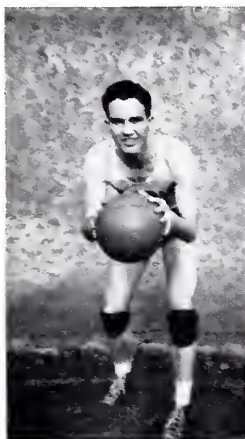

On January 24 they met the Campbellsville five on Pikeville High School's floor and turned in an easy 56-28 victory. They led 21-13 at the half and in a few minutes of the second half built up a 40-13 lead, and a new team took over and went on to win 56-28. Tatum and Newsom collected 13 each to lead the Bears' attack.

On January 31, the Bears turned in a decisive victory over the high scoring Ashland Thoroughbreds in a 65-55 triumph over them. The Bears trailed 32-31 at the half but came to life in the closing minutes of the game to win going away. Tatum was hot and collected 23 tallies and Vernon got 14. Bud Goodwin collected 16 for the Breds.

On Thursday, February 6, Lee's Jr. College came to town and the Bears took them into camp, 72-29. The Lee's quintet was completely outclassed from the beginning of the fray and the entire squad of 12 Bears saw service. Newsom got 15, Smokey Blankenship 12, Tatum 11, and V. Blankenship and Hays 10 each.

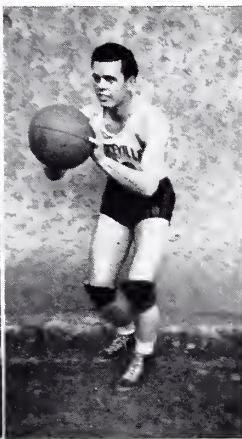

The highly heralded Rio Redmen came to Pikeville, February 8, and the Bears stretched their win streak at their expense by a 41 to 32 victory. The Bears trailed 14-9 the first half but came back and put on one of those hard drives they are used to and went on to win, standing up. V. Blankenship collected 15 to be high, and Duncan got 14 for the Wyattmen. Duncan, in this game was held to the lowest of the season with this 14 while against Capitol City he got 87.

The Lindsey-Wilson Blue Raiders came to town February 11 and suffered a like fate in the hands of the Rashmen. They had won 15 out of 17 till then, but the Bears cramped their style with a 47-39 defeat. The Raiders led most of the way and had a 21-19 advantage at half time.

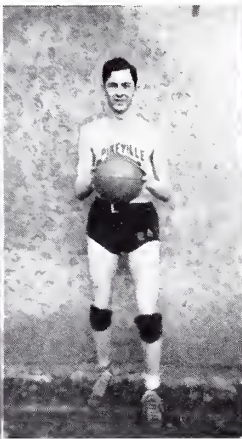

NEWSOM

"Butch" is one of the fastest forwards on the team, and ability to shoot from all angles made him a high scorer. Butch brought honor to himself and the school when he was chosen on the All-Kentucky Junior College Team this year.

OWENS

Paul is the shortest Bear, but one of the best ball hawks on the squad. His height doesn't handicap him from jumping with the best of them; and you should see him get those rebounds.

TATUM

Clinton plays center or forward equally well and will be missed next year. His singular one-hand push-shot from the sides has put him in the high scoring ranks.

RAMSEY

Last year an understudy of Bert Hays; this year the teacher—that's Burns. He has done a good job taking care of the equipment as well as of the players this year.

RASH

He's the coach, and the Rashest man you ever saw.

The Bears overcame this lead and won 47-39. Cline got 15 for the Bears and Blevins 15 for the losing Raiders.

In the Sue Bennett game of February 15, we got our last home glimpse of five outstanding Bears. Newsom, Owens, Hays, Tatum, and V. Blankenship made their last appearance before the local fans. The Bears completely outclassed the Green Dragons and turned in an easy 65-40 victory. Long Tom Hays dropped in 24 points to lead the attack.

On February 20 the Bears journeyed to Jackson, Ky., and encountered a tough band of Lee's netters and barely brought home a 30-25 victory.

On February 23 the Bears headed for the Conference Tournament at London, Ky., with Sue Bennett as host school. In the opener the Bears met their first defeat in nine games at the hands of the Cumberland College netters by a three point margin, 40 to 37. The game was rough, and the Bears did not show the form that they had been showing in previous games. The Bears led 20 to 13 at the half, but a young giant named Stout got hot the last half and rolled in 23 points to beat them. The Bears put on a rally in the closing minutes but couldn't catch them.

Because of this defeat, the Bears met Sue Bennett, the host school, in a consolation play-off the next morning and turned in their third victory of the season over Sue Bennett, gaining the right to meet Paducah that night in the final of the Consolation play-off. In the Sue Bennett game, the Bears led 21-21 at the half and went on to win 43-35. V. Blankenship got 13 for the Bears while Baldwin tipped in 17 for the Green Dragons. In the night game with Paducah we got the jump on them and couldn't be headed. We led 19-7 at the first quarter, 27 to 13 at the half, and went on to win 38-26. Hays tipped in 16 to lead the attack and McCandless got 14 for the Indians.

On March 7 the Bears were at Marion, Alabama, competing in the Southeastern Jr. College Tournament. The Bears engaged Middle Georgia, one of the favorites, and staged an upset by defeating them 65 to 54. According to Coach Rash, this was the best game the Bears played this season, and they just didn't miss. The Bears held a 29 to 23 edge at the half and went on to win with all ten men seeing service. Newsom got 20, Tatum 15, and V. Blankenship 12, to lead the Bears' great attack.

That night the Bears dropped a heart-breaker to South Georgia, 59 to 48. The Bears just didn't hit as they did in the afternoon, and they trailed 32 to 20 at the half. Aitken collected 18 for the winners, and Newsom 14 for the Bears.

March 8, in the Consolation game with Mars Hill, the Bears finished their season with a real thriller and turned in a hard-fought 50-45 victory over the boys from North Carolina. It was Mars Hill who defeated them in the consolation game last year at Athens, Tennessee. The Bears held a 21 to 19 lead at the half and had to put on a real 10 point rally to tie the score in the closing minutes at 39-39. In the overtime period the Bears steam-rolled the Mars Hill quintet to win 50-45. Hays took 18 and Tatum 12 for the Bears.

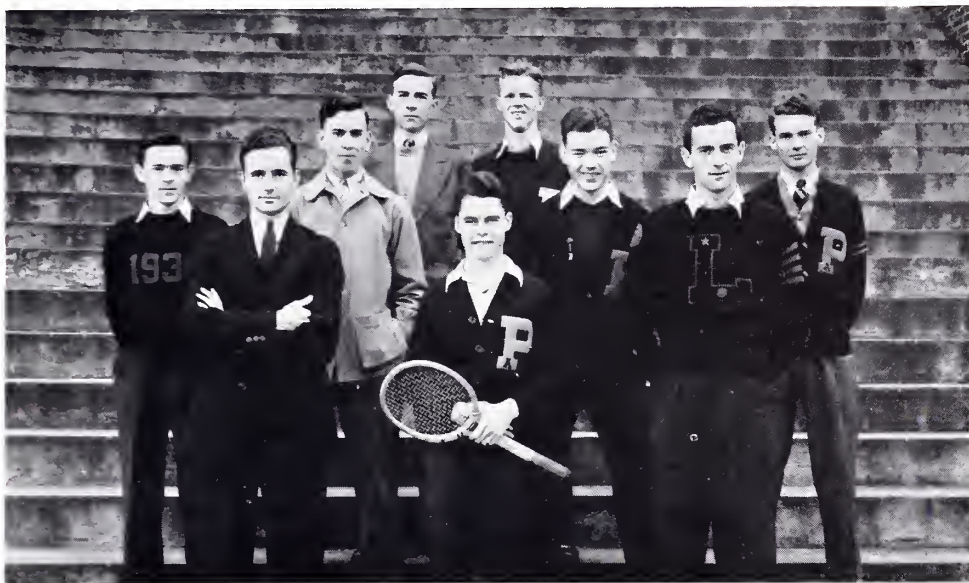

THE CUBS

This year, as in 1937, the job of coaching the Cubs fell to Coach Rash, and although the team did not have a very successful season as to number of games won, the players received valuable experience which will help them no end next season. The 1940-41 Cub team was entirely new, since the first seven men of last year's team either graduated or left the Academy. The 1941 team was built around Norman Chrisman, Fletcher Hutcheson, and Ed Owens, the three remaining members of the squad.

Throughout the completion of a twenty-game schedule the Cubs did not meet success in winning. The schedule was very heavy, including the best teams of the county and other good teams, such as Auxier, Warfield, Johns Creek, Belfry, Hellier, Virgie, Dorton, Phelps, Betsy Layne, and Cumberland. Toward the end of the season, Coach Rash found a good combination in Jesse Hutcheson, Owens, Fletcher Hutcheson, Chrisman, and John Thompson, with Billy Stratton as replacement. The last game of the year, played against Cumberland, was the best of the season for the Cubs, and although they were defeated, 39-19, the boys showed promise of developing into a winning team. In the district tournament the Cubs played Belfry, the tournament winner, losing 33-8. Since only one Cub (Norman Chrisman, Captain this season) is graduating in 1941, the 1942 squad may expect good results.

The Cheerleaders, Myra Cline and Peggy Ratliff, did good work this year and brought out good crowds, especially at the tournament, where there were many rooters for the Cubs.

INTRAMURAL SPORTS

WILLARD HUMPHRESS

Intramural Manager was "Hump's" title. This post was created in 1940-41, when the intramural program was enlarged. He did a swell job of making schedules, running tournaments, and keeping records of all the scores. For his good work he received a Letter.

With the largest Intramural Sports program ever undertaken at Pikeville College, Coach Rash inaugurated his fall program with a big tennis tournament. Thirty-two persons entered the singles and sixteen teams the doubles. The matches were played through September and October, with faculty emerging with the victors' laurels. In the singles, Carson defeated Curtis for the crown; while in the doubles, Curtis and Rummel teamed together to defeat Rash and Carson.

With tennis out of the way, thoughts turned to softball, and the result was the best softball tournament ever held. With four teams entered, it soon became apparent that it would be a battle between the Freshmen and Sophomores. In the final game on October 25, the Freshmen downed the Sophomores, 4-1, to take the title.

The Sophomores were not to be downed permanently, so they bounced back to take the basketball crown from a strong Freshman team, 26-20, in a fast game. The Sophomores were paced by Hames, who collected 7 points, and G. Wright was high for the "Greenies" with 5. To reach the finals, the Sophomores defeated the Academy, 30-12, and the Faculty, 33-13. The Freshmen defeated the Faculty, 22-17, and the Academy, 36-23. In a play-off game for third place, the Faculty defeated the Academy, 26 to 20.

In February the ping-pong tournament got under way with 36 persons entered. It was necessary to win six matches to be victor. After a few matches the tournament became a battle between Homer Wright and Tom Stone in each bracket. The final match was played February 27, with Stone taking Wright in two straight games to win the crown. Stone did not lose a single game in all six matches.

In March the badminton tournament was started, with 47 students from the College and Academy entering.
